ORDER

To place an order please go to our website, www.unifiedagriculture.com. If you have any questions please don't hesitate to reach out to Allison Walbrecht at (402)560-6019. We look forward to the opportunity of sharing our beef with you and your family!

OUR STORY

Welcome, we are so excited to have you here! Four years ago, Allison started Unified Showing- a program dedicated to empowering youth with disabilities through learning about and showing livestock. As showmen like Claire continue to grow as a herdsman and people, Allison, being a fifth generation rancher, understood the deep passion for agriculture and wanted to ensure participants still had an opportunity to be involved post graduation. And so, Unified Agriculture was founded.

Claire and Allison work together to raise our Nebraska grain finished cattle, focusing on animal welfare and respect. Through maintaining BQA certification, practicing low-stress handling, and feeding a nutritious diet, our cattle have had a peaceful environment to grow.

WHY CHOOSE US?

Whether a first time customer or a regular, we promise to treat you like family, by only serving you with the highest quality beef we have on our own dinner tables. Know that your beef comes from a small fifth generation family farm that takes extreme pride in our products.

Thank you for buying beef!

Hi, I am Vickie Ference. I am the owner of Vickie's ExtraORDinary Pork!

My passion started all the way back when I was four years old! I fell in love with the swine industry but more importantly, raising the pigs from farrow to finish. Vickie's ExtraORDinary Pork is a farm-to-table pork operation that started in April 2022. I am currently selling my product throughout Nebraska and surrounding states.

*Let's fill your

Vickie's ExtraORDinary Pork strives to bring families together with one piece of pork at a time. Thank you!
