

## Engler Entrepreneurship Program Scholarship Application – Continuing Student 2026-2027

### About The Engler Scholarship

This scholarship is available due to the generosity of The Paul and Virginia Engler Foundation. Paul was a native Nebraskan who through vision, hard work, sweat equity and tenacity built an exceptional career as an entrepreneur, industry leader, and dedicated advocate for building bridges for the next generation to cross. It is our honor and privilege to administer the thoughtful and intentional process of selecting scholarship recipients. However, the scholarship is only a small component of the value available to you through engagement in the Engler Agribusiness Entrepreneurship Program.
