About the ENGLER Scholarship

This scholarship is available due to the generosity of ***The Paul and Virginia Engler Foundation.*** Paul was a native Nebraskan who through vision, hard work, sweat equity and tenacity built an exceptional career as an entrepreneur, industry leader, and dedicated advocate for building bridges for the next generation to cross.

The Engler program began in 2010 with a $20 million gift over 10 years from the Paul F. and Virginia J. Engler Foundation. It is our honor and privilege to administer the thoughtful and intentional process of selecting scholarship recipients. However, the scholarship is only a small component of the value available to you through engagement in the Engler Agribusiness Entrepreneurship Program.

For academic year 2027-2028, the application will open on 10/1/26 and close on 12/15/26 at midnight.

The only requirements to apply for an Engler scholarship – **declare a CASNR major and have participated in 4-H or FFA.**

Find the application at englerjourney.com

Awards range from **$1000 to $4000 per school year.** The Engler program awards approximately 80 scholarships annually. Over $2,000,000 has been invested in students over the lifetime of the program. Students also can reapply each year during their undergrad time at UNL.

Students do not have to receive a scholarship to be involved in the Engler program. We are an open community whose mission is to empower our people on the courageous pursuit of their purpose through the art and practice of entrepreneurship.
